Re: *Carl McIntosh v. Jane Eugene et al.*
Case No. 1:22-cv-248

Dear Magistrate Judge Roemer:

Barclay Damon LLP represents the plaintiff in this case. On May 7, 2025, we received the Court's Text Order setting down a status conference for May 21, 2025, at 2:00pm. I am lead counsel for the plaintiff, and unfortunately, I have a conflict on that date, during which I will be out of town.

I have attempted to secure a replacement for that date but have been unsuccessful. I therefore respectfully request that the conference be adjourned to May 28, 2025, or as soon afterwards as possible.

Separately, I have just been told of a development involving our client that could affect the case. I do not have any details now, but I am investigating and will report back to the Court as soon as possible.

I appreciate the Court's consideration of my request for an adjournment of the May 21 conference.

Respectfully yours,

Kevin D. Szczepanski
